ACADEMIC OPPORTUNITIES

*With relatively small class sizes, Cheyney University students receive a more personalized, quality education from highly experienced faculty who are experts in their fields and dedicated to the success of each student.

*Keystone Honors Academy Scholarships for undergraduate students provide full tuition, room & board, fees, a laptop, and more for PA students who qualify for admission into the honors program.

*Transfer students are welcomed through seamless transition agreements with regional community colleges.

*The Hotel, Restaurant, & Tourism Management program provides exposure to industry leaders for internship and job opportunities and averages over a 90% placement rate for graduates.

FACILITIES

Cheyney University boasts a new science center featuring state-of-the-art technology, science labs, a planetarium and greenhouse.

Campus amenities include a library, computer labs, aquaponics greenhouse, dining hall, snack bar, fitness center, student union, and on-campus housing, including a new residence hall.

STUDENT LIFE

*Student engagement and development is fostered through more than 25 student organizations and initiatives including a Women's Center, Veterans Services, Multicultural Center, Trio student services, Hispanic/Latino Enrollment Retention Tract and Greek Life programming.

*An active Student Government Association and Class Councils sponsor educational, cultural and social events designed to enhance the student experience through participation and leadership development.

*The Center for Career and Professional Development and the Entrepreneurial Leadership Center work with students from Freshman year through graduation to prepare them for successful careers.

Students reside in a safe, close-knit community with on-site dining and health and wellness programming.

*The Academic Success Center helps students bridge any potential gaps between student life and academics with professional/peer tutoring and year-round academic success
