D. Policy & Procedure(s)

The system of grading used at Cheyney University is as follows:

A - excellent; B - above average; C - average; D - below average; F - failure; I - incomplete. An "I" grade will be considered as a failure until the condition has been removed. A grade of "I" indicates that the student has not satisfied all requirements of a given course. All deficiencies must be removed by the end of the tenth week of the next regular semester. Failure to meet this requirement automatically changes the "I" to "F".
