

Cheyney University Policy Number AA-2010-1073

Policy on Post Baccalaureate GPA Calculation

Approved by: Academic Affairs Council/President' Cabinet

History: Issued -- 7-24-2009

Related Policies: n/a

Additional References: n/a

Action

The Universities will “seal” the GPA at the time of baccalaureate graduation, and if a student returns for post-baccalaureate or for second degree work, then a new GPA should be started.

The policy does not extend to completion of AA or AS degree continuing at same institution.
