The common standard will be to require a 150-credit minimum for completion of simultaneous degrees.

Students meeting all of the requirements of two majors with less than 150 credit hours can obtain a double-major. In the case of a double major, if the two majors involve multiple degree designations (e.g., B.A. in English and B.S. in Psychology), the student will have the option to select the degree designation that appears on the transcript and diploma.

Action for Graduate Students:

For awarding two simultaneous graduate degrees, at least 12 hours will be required beyond the minimal credit requirements for the degree program with the most required credits.
