INVESTING IN THE NEXT GENERATION OF AFRICAN AMERICAN LEADERSHIP

PROGRAM OVERVIEW

To recognize and celebrate the accomplishments and invest in the highest of high achievers among graduating seniors at the nation's 100+ HBCUs and predominantly black institutions, UNCF (the United Negro College Fund), the nation's largest provider of scholarship aid, and the National Merit Scholarship Corporation (NMSC), have partnered to create the UNCF Achievement Capstone Scholarship.

This new award, a legacy of NMSC's 50-year National Achievement® Scholarship Program, will first recognize the outstanding academic accomplishments of its recipients at the cum laude level or above and it will provide them with financial awards that support and encourage them in the careers on which they are about to embark.

The 1964 Civil Rights Act outlawed discrimination based on race, color, religion sex and national origin in employment, public accommodations and education. In addition to marking distinguished academic achievement, the UNCF Capstone Achievement Program is also intended to honor graduating seniors whose record of undergraduate accomplishment, both within education institutions and beyond, holds the promise of realizing the aspirations of under-represented Americans and building a better society on the foundation of the rights granted by the 1964 Civil Rights Act.
