Policies - Alcohol, Other Drugs, and Weapons

As an academic community, Cheyney University is committed to providing an environment in which learning, and scholarship can flourish. The possession or use of illegal drugs, or the abuse of those which may otherwise be legally possessed, seriously affects the University environment, as well as the individual potential of our students and staff. Cheyney University of Pennsylvania is a dry campus, which means that alcohol is not permitted, this includes empty bottles/containers on campus or any affiliated campus property. Accordingly, the possession, consumption, and/or distribution of an alcoholic beverage on campus and/or in the residence halls are prohibited, regardless of an individual's age.

The University enforces state laws and related University policies, including those prohibiting the following activities on campus:

- A. Providing alcoholic beverages to individuals under 21 or possession or consumption of alcoholic beverages by individuals under 21.
- B. Distribution, possession, or use of illegal drugs or controlled substances.
- C. Possession of firearms or other dangerous weapons.

The abuse of alcohol and other drugs by students, regardless of age and of location (on-campus or off-campus), is prohibited by the Student Conduct Code. The University can, and will, impose disciplinary sanctions for violations. Students are also subject to city ordinances and state and federal laws.

The University strongly encourages students and staff members to voluntarily obtain assistance for dependency or abuse problem before such behavior results in an arrest and/or disciplinary referral which might result in their separation from the institution. The use of, or addiction to, alcohol, marijuana, or controlled substances is not considered an excuse for violations of the Student Conduct Code or staff expectations and will not be a mitigating factor in the application of appropriate disciplinary sanctions for such violations.

Help is available both on campus and within the community for students and staff members who are dependent on, or who abuse the use of alcohol or other drugs. Cheyney University’s Office of Student Counseling is available for Cheyney students with Dr. Earl Bowen Jr, ebowen@cheyney.edu and the State Employee Assistance Program (SEAP) is available for faculty and staff at 1-800-692-7459.
